

Volunteering with Reclaiming Reds

By volunteering for Reclaiming Reds, you will help us fulfil our aims of making Knowsley a place where red squirrels can thrive by contributing towards our vital conservation work.

We aim to remove barriers to volunteering by investing in the hardworking volunteers that keep our project going. That's why we offer a range of benefits:

Travel Expenses

Don't worry about the cost of your travel, because you can claim it back

Other expenses

Things like childcare can limit your availability, so we're here to help pay for it – just ask!

Training

If there are relevant skills you would like to develop whilst with us, we can help

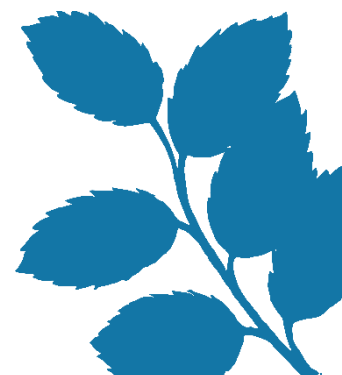

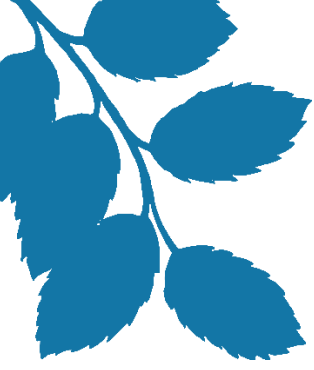

Discounts

You will get free entry to Knowsley Safari on non-volunteer days and discounted food when on duty

Contact reclaimingreds@knowsley.com to apply

Role Description

Control Volunteers

Grey squirrel control

This role involves the dispatch of grey squirrels to manage the population. In this role you will work alone and be mainly responsible for managing traps in our Community Trap Loan Scheme and on private land. Full training and assessment is given before you conduct this role.

Skills you will learn...

Humane grey squirrel control
